Personal/Freelance Editing, Proofreading, & Grading Assistance

- ❖ My baseline rate is \$25 per hour.
- ❖ Editing options:
 - a) Send me a **set length** to edit, and I will tell you the bill afterward based on how long it takes me;
 - b) Set a **time limit** (with a **set bill** based on that time limit) for me to edit under, and I will get through **as many pages** as possible in the time allotted, but I will not go **over** unless you request further feedback upon receiving the edited draft;
 - c) Set a **time limit** (with a **set bill** based on that time limit) for me to edit under with instructions to go over the *whole document* lightly but in as much detail as possible within the time allotted, but I will not go **over** that limit unless you request further feedback upon receiving the edited draft
 - d) Give me a **specific list** of editing/feedback parameters about which you would like feedback, I will **only** note those types of errors, and then I will tell you the bill afterward based on how long it takes me; **or**
 - e) Provide me with a set **time limit** (with a **set bill** based on that time limit) for me to edit under, as well as a **specific list** of editing/feedback parameters.
- ❖ If you wish a paper to be proofread:
 1. Email me at kmhampshire408@gmail.com;
 2. Attach the file as a Microsoft Word attachment;
 3. Include in the email the deadline by which you need feedback (and a "preferred by" date if applicable); and
 4. Indicate which editing option you would like to request
- ❖ After I finish editing the paper, I will send you a bill request via PayPal; upon receiving the payment, I will then email you the edited document as a Microsoft Word attachment with feedback in the comments (unless another feedback format is requested beforehand).
- ❖ If you have any questions, feel free to contact me (see above for contact information).
